Wayne County Community Foundation Condensed Statement of Financial Position—June 30, 2022

The financial statements of the Wayne County Community Foundation are audited by a Certified Public Accountant. The audited financial statements, including the auditor's report and notes to the financial statements, as well as the most recently filed IRS Form 990, are on file at the Foundation's office and are available on the Foundation's website.

Our investments are managed by five financial institutions: The Dime Bank, The Honesdale National Bank, Wayne Bank, Morgan Stanley and a new ESG (Environmental, social, and corporate governance) focused portfolio managed by CornerStone Asset Management. CornerStone Asset Management also helps act as Chief Investment Officers for the Foundation and their staff work closely with the local representatives at the other four institutions to communicate a comprehensive view of our investment portfolios. Our investment committee, made up of Foundation board members, meets five times a year; once with each investment partner.

The Wayne County Community Foundation is a 501(c)3 nonprofit, tax-exempt organization. EIN 23-2656896

DESCRIPTION OF CHARITABLE FUNDS

With the Wayne County Community Foundation, it's easy to leave your legacy with the community you care about. Each of our funds have a very modest 1% fee yearly to the foundation for managing your assets and donations and expenses of the fund. We can help you create a charitable fund in three simple steps.

- 1. Give it a name.** The name of the fund can be in memory of a loved one, a field of interest you're passionate about supporting or your family name.
- 2. Give it a purpose.** What matters most to you that you want to address in our community? We can work with you to establish a fund that will help achieve your charitable goals.
- 3. Give it support.** Offer your own tax-deductible donations now or through your estate and/or share with your friends, family and colleagues to support the fund.

WHAT KIND OF CHARITABLE FUNDS DO WE HAVE?

Donor-advised Funds: You can stay actively involved in the distribution of dollars from this fund by establishing a donor-advised fund. You recommend grants and the size of the grant to charitable organizations of your choosing. These funds can be endowed or quasi-endowed.

Endowment Funds: You can establish an endowment fund to benefit one or more organizations you determine, but only spend from the principal of the fund (usually 3-4% yearly). This is a great way to continue annual giving in perpetuity.

Field of Interest Funds: Support nonprofit organizations within a general area of interest such as youth programming, literacy, animal welfare, arts, and culture, or a specific geographic region of Wayne County.

Organizational Funds: An organizational fund is a type of esignated fund that is created by a nonprofit organization with the goal of it lasting into the future, while having the flexibility to serve the organization's more pressing needs when they arise. It's the best of both worlds.

Scholarship Funds: The Community Foundation manages a variety of scholarship funds ranging from those that support college studies for outgoing seniors in high school to furthering education in trades and certificate programs or master's degree programs.

Wayne Tomorrow! Fund: The Wayne Tomorrow! Fund supports strategic, county-wide initiatives that will effectively address and reverse certain trends the county has been observing, including poverty, housing, transportation issues, and agricultural needs.

INVESTING IN THE FUTURE OF OUR COMMUNITY

BUILDING HOME LIBRARIES

Thanks to the generous support from **over 206 community donors and a bequest from Barbara Houghtaling, over 5000 students K-8 at the Wayne County public schools were able to bring home a new book in the 2021/22 school year.** With our book purchase from Scholastic we collected hundreds of additional books to keep the Little Free Libraries in Wayne County stocked all year and the Honesdale Rotary even distributed dozens of books at the Jaycees Halloween parade in 2021!

It's that time of year again to fundraise for this project so that each student in Wayne County public schools is able to build their home library! If you'd like to make a donation, please visit waynefoundation.org or make a check to the Wayne County Community Foundation with "home libraries" in the memo to 214 9th Street, Honesdale, PA 18431.

Just a \$20 donation purchases 5 students K-8 each a book to take home!

EDUCATION PROGRAMS

THE YOUTH ADVISORY COMMITTEE

The Youth Advisory Committee (YAC) was created through a generous bequest of Eleanor Ferro and the Foundation in order to familiarize Wayne County High School students with philanthropy and grantmaking. Students in grades 9-12 participate in the committee and accept mini-grant applications and work together to decide how the funds are distributed.

In the past year, the **YAC** made mini grants totaling **\$6000** to Wallenpaupack Area School District, Wayne Highlands and Western Wayne School Districts and to the Wayne County Arts Alliance.

EDUCATIONAL IMPROVEMENT TAX CREDIT PROGRAM (EITC)

The Wayne County Community Foundation acts as a conduit to support highly academic innovative and challenging **STEM programs and dual enrollment programs at Johnson College at Wayne Highlands, Wallenpaupack, Western Wayne, and Forest City Regional School District.** This year, a total of **\$90,500** was donated by The Dime Bank, PPL Foundation, The Honesdale National Bank, NBT Bank, FNCB Bank, Waste Management, Weis Markets, and the First National Bank of Pennsylvania to support the program.

CULTIVATING A VIBRANT FUTURE FOR WAYNE COUNTY

For more information please visit
WayneTomorrow.com

The Wayne County Community Foundation participates actively in the **Wayne Tomorrow!** Initiative. In 2019, we established a **Wayne Tomorrow! Fund** at the foundation to be able to accept charitable donations to support Wayne Tomorrow! activities and to be a fiscal agent for future grant applications.

Wayne Tomorrow! is a broad, county-sponsored, community-based collaboration focused on the projects, resources, and infrastructure needed to move Wayne County, its people, its culture and its economy into a vibrant future.

It's not an entity, it's a partnership and a way of operating. This type of collaboration takes a commitment to the common goals and a willingness to focus on "we" not "me"!

The fund seeks to build a robust, multi-dimensional economic and cultural ecosystem that will effectively address and reverse certain negative trends the county has been observing, including poverty, transportation issues, and agricultural needs. This ecosystem will be the foundation for ensuring improved conditions are achieved and maintained into the future, in spite of facing new challenges and a constantly changing landscape.

In the fall of 2021, Wayne County Commissioner Jocelyn Cramer, Executive Director of Wayne Economic Development Corporation (WEDCO), Mary Beth Wood, Wayne Tomorrow! Network Specialist Kim Rickard, and Foundation President/CEO, Ryanne Jennings presented about Wayne Tomorrow! at the Scranton Area Foundation's NEPA Learning Conference as well as the Wayne County Community Foundation's annual board retreat at the Dorflinger Glass Factory Museum this spring.

CREATIVELY SUPPORTING ECONOMIC DEVELOPMENT AND ENTREPRENEURS IN WAYNE COUNTY

NEPA CIRCLE OF
AUNTS & UNCLES

The NEPA Circle of Aunts and Uncles is a philanthropic community project to provide low-interest loans and social capital to under-resourced entrepreneurs who are leading new or growing local businesses, in order to co-create a more equitable, compassionate, sustainable, and vibrant local economy within or impacting Wayne County.

The Wayne County Community Foundation announced their first round of NEPA Circle of Aunts and Uncles microloan recipients this fiscal year.

Raymond Collins is the founder of **Kaizen Snacks**, a small-scale operation producing healthy and flavorful nut and fruit snacks. Ray began his business in 2014 and has been slowly growing ever since. When the time came to make a push for expansion, Ray applied to the NEPA Circle of Aunts and Uncles. Ray will be using his loan to increase the capacity of his commercial kitchen. Visit KaizenSnacks.com for more information.

Brittany Chadderdon of Newfoundland runs **BC Goods & Grain**, a workshop for custom signs and logos located in Hamlin. Brittany started working out of her home selling her products on Etsy, fulfilling online orders and participating in local artisan markets. When her business picked up, she needed to expand and took her business from the kitchen table to her own workshop. Thanks to a loan from the NEPA Circle of Aunts and Uncles, Brittany will be able to expand her business even more with the purchase of a new laser cutter. Not only does Brittany look forward to taking her business to the next level, she also looks outward, dreaming to help create and foster a better environment to create and learn in her community. Visit Brittany at BCGoodsAndGrain.com for more information about her shop.

If you would like learn more or to support the NEPA Circle of Aunts and Uncles Fund, visit our website or scan for more information.

YOUR LEGACY **MATTERS**

The O'Neill Society recognizes those donors who have invested in the future of our county by naming the Wayne County Community Foundation and/or any of the funds we manage, as a beneficiary of their estate plans or funds of their choice. The name is in memory of Dan O'Neill, long-time community activist and a Foundation board member.

Funds benefited by estate plans can support any charitable organization, including the Foundation itself, and can work to benefit the county long after the lives of the donors. **If you wish to be recognized as a member of the O'Neill Society, please contact our office and we will be pleased to help you: 570.251.9993 or info@waynefoundation.org**

2021 Ben Franklin Community Service Award —Henry Skier

WHAT IS THE BEN FRANKLIN FUND?

In his will, Benjamin Franklin wrote, "I wish to be useful even after my death." When he died in 1790, he left £2,000 (the equivalent of about \$354,000 in 2022) in a trust fund to be specifically used and saved for 200 years. In keeping with Franklin's philosophy, the Pennsylvania General Assembly directed the perpetual "Ben Franklin Trust" be established and that the interest be used to benefit the citizens of the Commonwealth. On December 17th, 1990, Governor Robert P. Casey signed Act 1990-173 into law, approving the then sum of \$834,000 to be distributed to Community Foundations in Pennsylvania, including the Wayne County Community Foundation which received nearly \$20,000 in 1995.

Each year, a member (or members) from our community is selected for their positive impact on the betterment of Wayne County. Henry Skier, the Foundation's 2021 Ben Franklin Community Service Award recipient, was honored on July 10th, 2022 at Harmony in the Woods with a short ceremony and a great concert. The outdoor event drew over 120 guests who came out to support Henry and enjoy the beautiful weather and toe-tapping show by Pete Muller and the Kindred Souls.

Henry Skier serves as President of AMSkier Insurance and AMSkier Reinsurance. After receiving his early education in Honesdale, Henry went on to pursue higher education at Syracuse University and Temple Law School. Prior to returning to Hawley, Pennsylvania to lead the family business, Henry served as a Captain in the United States Army.

Founded in 1920 by Henry's father, Abe Skier, AMSkier Insurance is entering its 101st year as the largest insurer and reinsurer of children's camps in the United States. Carrying on his father's legacy, Henry has devoted his professional life to making the camp experience fun, safe, and accessible to children across the country.

Attributing AMSkier's success to his father's dedication to hard work, personal relationships, and giving back, Henry is committed to cultivating relationships and fostering strategic partnerships. This has led to his involvement in numerous philanthropic initiatives helping children and young adults from underserved communities access life-changing, overnight summer camp experiences.

Henry is married to Eve Skier and shares leadership in AMSkier with his two children Jeffrey and Aimee Skier. He is also the proud grandfather of Annie, Abe, and Slater.

A MESSAGE FROM THE BOARD PRESIDENT

On behalf of the board of directors of the Foundation, staff, and of the many people who benefit from your generosity through grants and scholarships managed by the Foundation, thank you for supporting the Foundation. Whether you're a long-time donor, nonprofit organization, referral partner, or business sponsor, your relationship with the Foundation helps us to fulfill our mission, and for that, we're forever grateful.

The Wayne County Community Foundation is a one-stop-shop for donors to support the nonprofits that do the work they care about, but we're also a resource for nonprofit organizations to find funding and donors that can support their work. The Foundation has grown to now have two full-time staff here to help build the capacity of nonprofit organizations. Ryanne Jennings, our President/CEO and Connor Simon, our Grant and Outreach Manager, work to connect donors with the causes they care about and build the capacity of the nonprofits in and serving Wayne County, PA.

Even through a global pandemic, tumultuous investment market and disruptions in education and workforce, our organization has been able to grow. Today, we manage just about \$10 million in assets - spread out over 120 funds - and distribute over \$160,000 in grant dollars each year.

Our legacy society, the O'Neill Society, named after the late Daniel O'Neill, has over 100 individuals who care deeply about leaving a legacy in Wayne County and have selected the Wayne County Community Foundation to steward their gift. We hope you'll consider joining this legacy society and be among others who care to positively impact the community beyond their lifetime as well.

We hope you consider continuing to build a connection with the Foundation, in whatever way that is meaningful to you. Our staff would be happy to talk to you about establishing your own donor-advised fund, legacy giving, or scholarship fund -- they're all great tools for keeping your legacy or the legacy of a loved one alive for many years to come.

Very truly yours,

Ronald E. Rowe

A MESSAGE FROM THE PRESIDENT/CEO

The meaning of philanthropy is "for the love of humanity". We are reminded of that love every day in our work here at the Foundation. Donors and supporters like you are showing up for our community in meaningful ways even through the unprecedented times we're collectively living through. New partnerships and collaborations are being formed to better serve the community that we live in. It's inspiring to witness.

I hope that you've been able to see, in the pages before this one, the care and consideration that goes into the work we do at the Wayne County Community Foundation. Every day we work to intentionally build trust between the nonprofit organizations we serve, donors - including businesses, that support the work, and regional funders who we collaborate with to accomplish impactful grantmaking in Northeastern Pennsylvania. But at the heart of the work is the individuals that we serve. Individuals who make up our neighborhoods, schools and communities.

I'm extremely grateful to be in the business of relationship building and appreciate the support that you have given. I hope you always feel welcome to reach out to me with any ideas for collaboration or to have a conversation about your individual philanthropic goals. I'd love to hear from you.

With gratitude,

Ryanne
